Certificate in International Financial Reporting

In today's world, IFRS is the international language of Accounting. More than 144 countries across the globe have already shifted to IFRS. This financial reporting program offers extensive knowledge of International Financial Reporting and International Financial Reporting Standards (IFRS). The four-day program is specially designed to guide you, step by step, through important IFRS issues in a very easy and understandable manner. The course aims to introduce the learners to the world of IFRS and its applicability. The course will be focused on disclosure requirements, IFRS conceptual framework and all important standards relating to Assets, liabilities and Entities. The four-day IFRS program will provide an extensive review of all standards. The course shall be delivered through the case studies, real world examples, exercises and interactive sessions. At the end of the program, the learners shall be able to prepare the financial statements based on the IFRS standards. The learners shall also be able to comply with the IFRS requirements.

Who Should Attend?

This program is beneficial for anyone who is interested in understanding and applying IFRS. This program is particularly suitable for:

- Accountants
- Auditors
- Senior Finance Managers
- IFRS Consultants
- IFRS Trainers Who Want To Refresh Their Knowledge
- Financial Controllers
- Financial Analysts

4 Day Course at Ramada Hotel, Bur Dubai

20th, 21st, 27th & 28th May 2016

Run by Senior Faculty sourced by the Institute of Certified Management Accountants (Australia)

Your Course Facilitator

Dr. Anupam Mehta
Ph.D, MBA, MCom, CMA, CertFRS

Dr. Anupam Mehta is a skilled Finance and Accounting professional with more than 14 years of teaching, training and consultancy. Currently, she is a faculty member at the Institute of Management Technology, Dubai; which is amongst the top ranked by Forbes Middle East magazine. Prior to Dubai, she has taught in various Indian business schools including Birla Institute of Management and Technology (BIMTECH), Institute of Integrated Learning in Management (IILM) Academy of higher learning and Apeejay Institute of Management in India. She has also done visiting faculty teaching assignments in UK and currently on the project evaluation panel at Cambridge International College, UK.

During her career, she has taught to Graduate, Post graduate, Executives programs and conducted several Management Development Program (MDP's) for the companies in the area of financial statement analysis, valuations, IFRS training workshops, shareholder wealth management and corporate finance.

Dr. Mehta is an Associate Editor of World Review of Business Research Journal and Member of the editorial board of Global Advanced Research Journal of Social Sciences. As a committed and dedicated professional with a proven ability to teach, motivate and direct learners, her focus is to maximize performance by encouraging a positive and energetic environment.

Key Learning Outcomes

At the end of the program the learners shall be able to :

- Demonstrate the knowledge and understanding of IFRS's and its conceptual framework.
- Apply and prepare the financial statement on the basis of IFRS
- Identify and meet the disclosure requirements.
- Describe the important Accounting standards and their application.

Delivery Method

The program will be delivered by :

- Case studies
- Real world examples and exercises
- Discussions / Interactive sessions
- Lectures with special emphasis on real world examples

Assessment

At the end of the course, a one hour exam will be conducted. The exam will consist of multiple type questions.

Detailed Course Content

The course covers all major standards and the future developments in the area of IFRS. The participants shall be provided with the entire course material. The course materials include the extensive mock tests material and the case studies.
